Upon receiving the enclosed filing receipt with a wrong filing date, I called some one in the Customer Service Center who informed me to file a request for correction with the Application Processing Division. As now informed I did not file a Petition because none was needed to correct this obvious error. I faxed the enclosed six pages to the number given me (703) 308-7751. The paper was received by the USPTO! I have no response to Paper No. 3 in my file! I have closed my Quad Systems office but my office on this letter is still correct!
